## About Us

We "**TAFE Motors And Tractors Limited**" are a proficient manufacturer, supplier and exporter of Tractor & Tractor Accessories. Previously known by the name of 'Asha Exim Pvt Ltd', we are one of the decade old business entities in the market. Respectable "**Mr. G. T. Patel**" and "**Mr. M. T. Patel**" farmer brothers, have laid the foundation of the "**Captain Tractors**" to carry their legacy across the globe. They have taken the responsibility to design a wide range of in-budget tractors, keeping the requirements of small and medium farmers in mind. Our wide range of product includes **Mini Tractor, Tractor, Agricultural Tractors, Tractor Tanker, Mud Pump, Rotary Tiller, Tractor Dozer, Captain Power Reaper, Seed Grader Cum Cleaner, Sickles And Chaff Cutter, Animal Drawn Implement, Metal Weeder, Single Row Weeder Cum Seed Drill, Tractor Trailer, Sprayer Pump, Centrifugal Pump, Tractor Leveler, Tractor Cultivator, Tractor Reaper And Tractor Loader**. For the completion of their aim, they have developed an advanced R&D Department that helps them in searching out the best possible techniques that can be incorporated in the tractors, without affecting their production cost.

Based on the expertise of our mentors, we are able to bring "**Captain DI 2600 Mini Tractor**"- first Mini Tractor in India in 1998. This tractor has achieved various prestigious milestones, including, CMFTTI – Budni Test Report in...
