From Past To The Future

Akyıldız Kithchenware Co. 30 years ago founded in Kahramanmaraş.

Now with our new investments we have 26.000 m2 open area and 10.000 m2 closed area and with new machineries monthly production capacity increased to 500.000 units.

We have established R&D and testing laboratory. We minimized to production mistakes with our last technologic test laboratory.

26 years with the knowledge and confidence, both domestic and overseas clients have gained the ability to create our own quality standards for new building, without compromising on quality assurance under Akyıldız Kitchenware, market conditions will affect our country as a stable price policy, employment, product quality and variety of services to our customers by increasing will continue..
