

CENTURY SIT BATH SYSTEM

This fixed-height keyhole shaped tub provides an ideal solution when a care facility requires an advanced sit bath designed for good immersion.

The sit bath is a space-saving alternative that is regarded as a traditional bathing method in some parts of the world. *Century™* makes the ArjoHuntleigh bathing system range fully comprehensive by offering the best available sit bath. *Century* enables smoother transfers and it's a keyhole-shape gives the carer easier access to the patient during bathing sessions.

...with people in mind

IMPROVED SIT BATH SYSTEM

1 Hygiene lifter compability

Century integrates with *Alenti* and *Calypto*.

2 Safety

Two sensors scalding protection and Auto-fill, one level with possible afterfilling. The electronic control functions are operated by touch pad

3 Digital display

Digital display of temperature for bath water and fill/shower.

4 Built-in disinfection

Built-in disinfection shower handle and automatic disinfection of the hydromassage system.

5 Optional Hydromassage™

Hydromassage generates a gentle massaging effect that stimulates peripheral blood circulation and eases muscle tension.

6 Optional Hydrosound™

Hydrosound offers a gentle touch for cleaning sensitive skin. An integrated ultrasound unit in the tub generates millions of jet streams.
