## IDEA THAT SPEAKS FOR ITSELF

BIGPlast is a fast growing company specializing in plastic plant pots. The success of BIGPlast is based on creativity, innovations, support, and speed. Our design team is dedicated to surprising you with the innovations each year. We are the trendsetters in the color segment, but we also create revolutions with new shapes. In our range you will find a lot of modern, trendy, and elegant shapes, and warm or soft colors.

BIGPlast wants to introduce you to excellent and clever planters. With BIGPlast water supply plants will absorb water as needed and make your place happier and more beautiful. Like every mother who is proud of her child, we are proud of our Magnetika

Trend. BIGPlast mini flower pots with magnet makes your fridge and kitchen colorful and unique. As special supplement there are BIGPlast magnetic panels in square and other shapes. Brighten up your living room, kitchen, or bedroom with beautiful flowers and plants in stylish and colorful BIGPlast products.

Choose your favorite combination, high gloss finish, round, oval or square shapes, and enjoy.

**We hope you like it.**

Your BIGPlast team

Panels

BIGPlast collection pots was created to be used as cachepots.

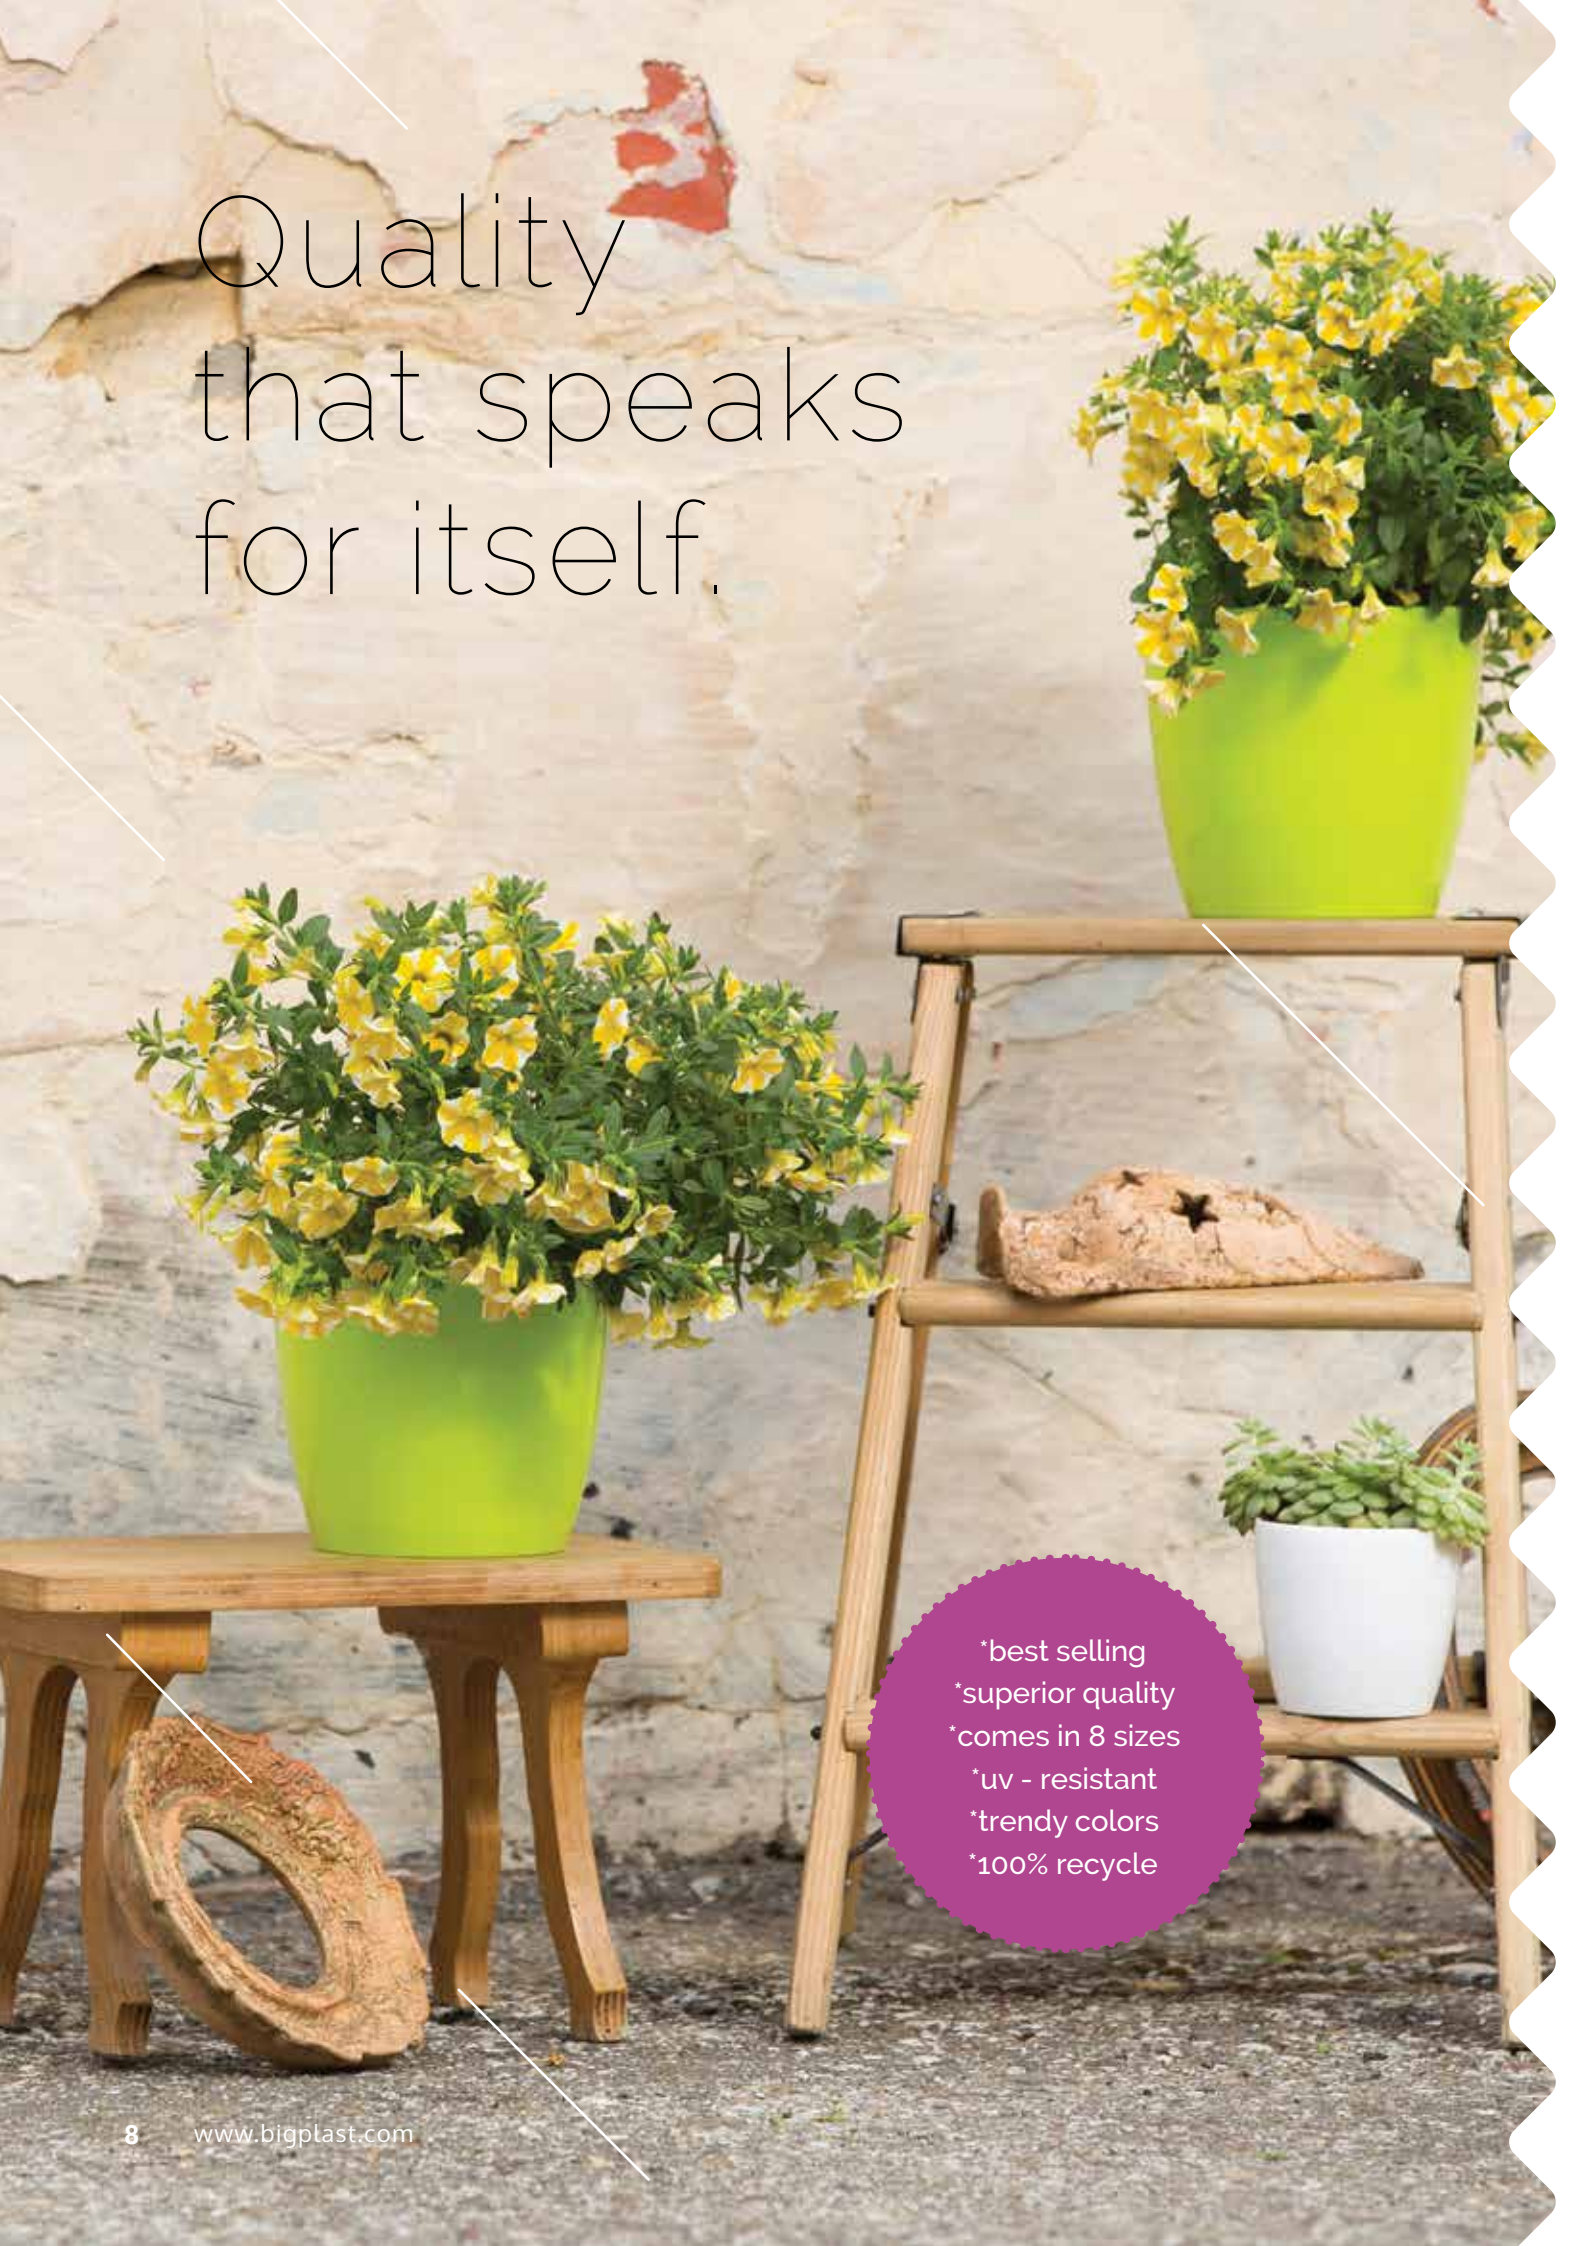

Place the plant and its container from the nursery inside BIGPlast cachepot, it will act as a water reserve, so there will be no need for a saucer.

Interior  
plant can  
remove urban air  
pollutants by up to  
75% within 24  
hours.

Quality  
that speaks  
for itself.

- \*best selling
