DELLA TOFFOLA GROUP

DELLA TOFFOI

.

Della Toffola Group is a world leader in the design and construction of technologically advanced solutions for every step in the winemaking process. This vocation is matched by the corresponding expertise and success of its Food and Beverages, Bottling and Packaging, Dairy, and Water Treatment, Chemicals and Pharmaceuticals Divisions.

With nine productive units, five branch offices, and two brands, Della Toffola Group employs over 450 employees on 6 continents in a total 190,000 sq m area for an average annual turnover of 100 million Euro, 70% of which derived from exports.

The Della Toffola name has been present in the administration and management of the company and group for three generations, and provides a guarantee of continuity and commitment.

These are the figures of a strong industrial group that has always based its approach on quality, service, and versatility. These are the values reaffirmed with dedication and enthusiasm every day.
