75001B	4Lt	5 Pcs

LECTROCLEAN – 7X

Carburettor Cleaning & Spare Parts

LECTROCLEAN – 7 OD

Cleaner of electrical - electronic components and spare parts

Description

LECTROCLEAN-7 ODD is a liquid product which is used for cleaning electrical & electronic components, spare parts, dismantled parts, etc. using a brush, brush or gun.

Code	Content	Pieces/Cartons
75000	32Lt	1 Pcs
75000A	1Lt	15 Pcs
75000B	4Lt	5 Pcs

X-151

Water-soluble Detergent

Description

The X-151 belongs to the new generation of cleaners-degreasers without chlorinated and petroleum solvents and is environmentally friendly. It has no unpleasant odor and is safe for the personnel when using it.

Code	Content	Pieces/Cartons
55001	22kg	1 Pcs
55000	4Lt	5 Pcs

PLEDIN X-100

Carpet cleaner

Description

PLEDIN - X 100 belongs to the new generation of concentrated carpet cleaning liquids and is ideal for home or industrial use.

Code	Content	Pieces/Cartons
78000	13Lt	1 Pcs
78001	22kg	1 Pcs

CHLOREX 2 in 1

Scouring agent based on active chlorine

Description

Scouring agent based on active chlorine suitable for food industries, slaughterhouses, butchers, working benches, kitchens, floors,

Code	Content	Pieces/Cartons
79000	4Lt	5 Pcs
79001	15kg	1 Pcs

Fitex

X-LAT

STONE CLEANER

Description

Emulsion for multiple improvements of concrete and mortar. Improves elasticity, friction resistance, chemical effects, watertightness, tackability and adhesion. Necessary as a mortar admixture for thin-layer repairs.

Code	Content	Pieces/Cartons
32000	1Lt	15 Pcs
32001	5Lt	4 Pcs
32002	20Lt	1 Pcs

ECOCLEAN - X

Description

Is a multi-purpose heavy duty alkaline, water based, cleaner with surfactants for fast effective cleaning multi-purpose heavy duty alkaline, water based, cleaner with surfactants for fast effective cleaning. Does not contain chlorinated solvents.

Code	Content	Pieces/Cartons
45000	1Lt	15 Pcs
45001	4Lt	5 Pcs

PET - X

Takes care of the disappearance of stains

Description

PET-X is a heavily scented, red colored, special liquid product, with a powerful disinfectant and deodorant capability and deodorant capability that is used for cleaning, disinfecting and deodorizing.

Code	Content	Pieces/Cartons

39002	5Lt	4 Pcs

X-FROST

ANTIFREEZE – ANTICORROSIVE – **NON TOXIC** & SUITABLE FOR FOOD INDUSTRIES

Description

X-FROST is a special antifreeze product based on propylene glycol. It also contains water hardness bindings, sequestrants, scale inhibitors and anticorrosive additives.

Code	Content	Pieces/Cartons
27000	1Lt	15 Pcs
27001	4Lt	5 Pcs
27002	20Lt	1 Pcs

X-FROST 12

Description

X-FROST 12 is a special product, containing ethyleneglycol, sequestering agents and other anti-corrosive compounds. X-FROST 12 is suitable for the cooling water systems such as diesel engines, internal combustion engines, car refrigerators, central heating, solar boilers e.t.c.

Code	Content	Pieces/Cartons
28000	1Lt	15 Pcs
28001	4Lt	5 Pcs
28002	20Lt	1 Pcs

X-AIR Professional In

Description

X-AIR Professional is a liquid product which is used for the interior cleaning of airconditioners, (evaporators, pipes, a-coils, filters, etc. It effectively removes hard water deposits, dirt, dust, lint, oil, grease, mud, atmospheric stains, from a/c and heater coils fins).

Code	Content	Pieces/Cartons
25001	4Lt	5 Pcs

X-AIR PROFESSIONAL Out

Air Conditioner Cleaner for outdoor units

Description

X-AIR OUT is an acidic liquid for cleaning outdoor units of air conditioners, and cooling condensers in refrigeration. It effectively removes oil, grease, mud, atmospheric stains, etc.

Code	Content	Pieces/Cartons
25002	4Lt	5 Pcs

GENERAL CLEANING FLUID

Description

Is a multi-purpose heavy duty alkaline, water based, cleaner with surfactants for fast effective cleaning multi-purpose heavy duty alkaline, water based, cleaner with surfactants for fast effective cleaning. Does not contain chlorinated solvents.

Code	Content	Pieces/Cartons

Hand Cleaner HADISON-EX

Description

HADISON-X is a perfumed paste with lanolin containing natural ingredients and thin sand grains, specially formulated for hand cleaning from difficult soils such as oil, grease, light carbon, light paint etc.

Code	Content	Pieces/Cartons
15	1Lt	12 Pcs
15A	5Kg	4 Pcs

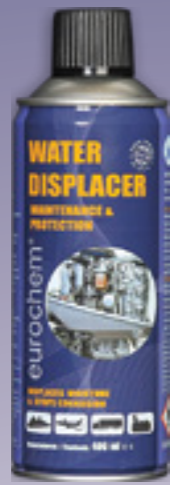

X - PENETROL

Anticorrosion - lubricant- dehydrating. It releases quickly and easily bolts, glued screws, nuts, mechanisms.

Code	Pieces/Cartons
31000	12 Pcs

WATER DISPLACER

Water, moisture and humidity displacer that leaves an ultra-thin protective film. Maintains and protects all electrical equipment. Prevents oxidation and corrosion. Stops leakage and arcing. Lubricates, penetrates and frees rusted parts. Allows quick starting of wet ignition systems.

Code	Pieces/Cartons
54000	12 Pcs

2002 LECTROKLEEN

Fast evaporating electric equipment cleaner. Suitable for motors, generators, coils, etc. Leaves no residue and has a high dielectric constant.

Code	Pieces/Cartons
52000	12 Pcs

2003 CONTACT CLEANER

Very fast evaporating contact cleaner for all types of electrical and electronic equipment. Suitable for electronic components, circuits, switches, potentiometers, TV's, VCR's, etc.

Code	Pieces/Cartons
47001	12 Pcs

2006 - IS

Rust guard. Long lasting protective coating for spare parts, outboard engines, cables, metallic surfaces etc. (hard film) This type of hard film gives better results against corrosion in relation with other products which form a soft film.

Code	Pieces/Cartons
57000	12 Pcs

2007 - M SPATTER OFF

Silicone free product used on welding machines. Cleans contact tips and gas nozzles. Protects the nozzle tip and the surface from spatters.

Code	Pieces/Cartons
51000	12 Pcs

2008 CRACK DETECTION KIT

Rust guard. Long lasting protective coating for spare parts, outboard engines, cables, metallic surfaces etc. (hard film) This type of hard film gives better results against corrosion in relation with other products which form a soft film.

Pieces/Cartons
12 Pcs

2009-SOL

Dashboard polish for cars and furniture suitable for surfaces made of real or artificial leather, plastic, wood and inox.

Code	Pieces/Cartons
47001	12 Pcs

203 CONTACT

Environmentally friendly, new technology, fast evaporating contact cleaner for all types of electrical and electronic equipment.

Code	Pieces/Cartons
47000	12 Pcs

2004 STARTER

Cold engine starter. Suitable for marine diesel engines, automobiles, trucks, agricultural machinery, cranes, etc.

Code	Pieces/Cartons
56000	12 Pcs

2004 STARTER EXTRA

Cold engine starter. Suitable for marine diesel engines, automobiles, trucks, agricultural machinery, cranes, etc. More efficient at low temperatures.

Code	Pieces/Cartons
56001	12 Pcs

2005 CARBURETOR & INJECTOR CLEANER

Specially formulated to clean carburetors (interior - exterior), injection systems and input valves.

Code	Pieces/Cartons
53000	12 Pcs

2010 - CHAIN LUBRICANT

Lubricates, reducing wear caused by strand abrasion and gear tooth contact. Suitable for conveyor systems, motorcycles, agricultural machines, construction engines, and marine systems.

Code	Pieces/Cartons
59000	12 Pcs

2015 LITHIUM GREASE

Excellent lubricant for long lasting lubrication. Drastically reduces friction and wear of metal and withstands at temperatures up to 150°C protecting from corrosion.

Code	Pieces/Cartons
48000	12 Pcs

2016 - SILICONE LUBRICANT & MOLD RELEASE

Silicone lubricant for plastic and metallic equipment. Ideal for use as a release agent with all molds of aluminum or steel in extrusion plastic machines. Ideal for treadmills.

Code	Pieces/Cartons
60000	12 Pcs

AFRO CLEANER

General use foam for cleaning with antistatic properties. Used on hard and soft plastic, leather and fabric.

Code	Pieces/Cartons
47001	12 Pcs

**2019 -
AIR CONDITIONER
CLEANER**

Very effective foam.
Cleans and disinfects all air conditioner systems.
Eliminates unpleasant odors

Code	Pieces/Cartons
50000	12 Pcs

**CUTTING &
TAPPING OIL**

Blend of oils and cooling agents to improve CUTTING, DRILLING, BORING, MILLING, TAPPING etc.

Code	Pieces/Cartons
62000	12 Pcs

**ALUMINUM
ANTI - SEIZE**

Anti-seize lubricant containing aluminum sub-micron particles, capable to eliminate galvanic and molecular corrosion, stopping seizing between mated metal parts. Used between connected metal parts, screws, nuts, etc.

Code	Pieces/Cartons
63000	12 Pcs

**BRAKE & CLUTCH
CLEANER**

Fast evaporating brake cleaner.

Code	Pieces/Cartons
64000	12 Pcs

**DUST
REMOVER**

High-pressure product (non-flammable). Removes dust and residue from computers, televisions, VCR's and all electronic components.

Code	Pieces/Cartons
65000	12 Pcs

**2018-FREEZING
LIQUID**

Freezing liquid – non flammable.

Code	Pieces/Cartons
66000	12 Pcs
