

# BRAKE DISCS WITH BEARING

[www.gsp.cn](http://www.gsp.cn)/[www.gsp-europe.com](http://www.gsp-europe.com)

GSP can now offer full range of brake discs with bearing for french applications with over 15 applications

Advantages for workshops:

- Quick repair due to short repair time
- Less costs than OES
- Additional business as lifetime of brake part and wheel bearing are close
- Less failure percentage during fitment

GSP offers only non-coated discs to ensure a good price-quality ratio and coating has no technical but only optical reasons.

## Complete GSP range of brake disc hub kits:
