BLACK & WHITE

COLECCIÓN ART FACTORY COLLECTION

La música, «el arte de las musas», es el arte de organizar con sensibilidad y lógica una combinación de sonidos y silencios respetando los principios fundamentales de la melodía, la armonía y el ritmo.

Inspirados por la música, y por la magia que se puede conseguir simplemente combinando sonidos y silencios, nace Black&White, la nueva colección de Hisbalit.

Dos colores como interpretación del sonido y el silencio: Blanco y Negro. La pureza y la luz del blanco en contraposición con la elegancia y sofisticación del negro.

Un contraste magnético con el que se obtiene, como si de piezas musicales se tratase, 22 diseños armoniosos y equilibrados.

Un tándem atemporal, que imprime personalidad a los espacios, alcanzando un punto perfecto entre modernidad y clasicismo.

BLACK & WHITE

COLECCIÓN ART FACTORY COLLECTION

Music, “the art of the muses”, is the art of constructing a combination of sounds and silences, organised with sensitivity and logic respecting the fundamental principles of melody, harmony and rhythm.

Inspired by music, and the magic produced simply by the right combination of sound and silence, we offer Black&White, the latest collection from Hisbalit.

Two colours representing sound and silence: Black and White. The light and purity of white set in counterpoint to the elegance and sophistication of black. A magnetic contrast that produces, as with a piece of music, 22 different harmonious and balanced designs.

A timeless tandem, giving unmistakable personality to a space, achieving the perfect balance between the classic and the modern.
