Key: S - Standard, • - Optional

The new two piece P6 pan is available in PVC or Fabric trim, providing a compact, comfortable, stylish addition to the KAB Seating P series range.

It is designed to suit small agricultural tractors, industrial and construction machines and can be used as a static seat or take mechanical or air suspensions.

For specialist OEM requirements, the P6 can be produced in a variety of colour trims to suit. (Subject to volume)

Homologated to 78/764/EEC classes I/II/III for Agricultural tractors.

Meets ISO 3776-2 seat belt requirements and also meets ISO 6683 and SAE J386 dependant on slide rail configuration.

*SIP to ISO 5353 on all illustrations

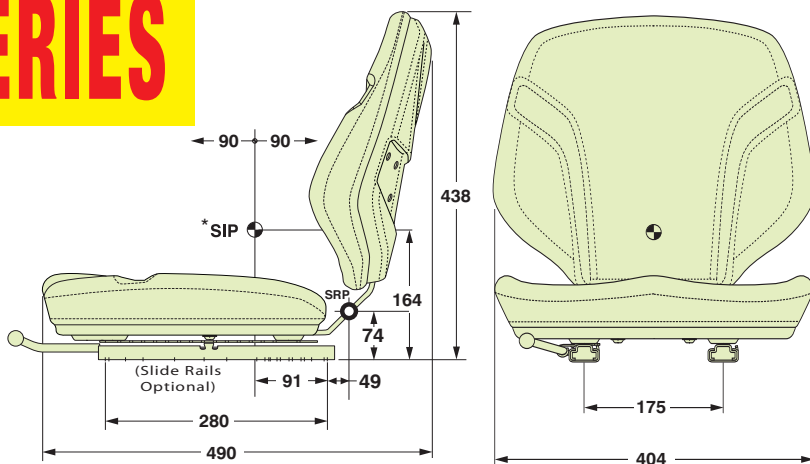

- A** Suspension Stroke
- B** Height Adjustment
- C** Alternative Mounting Centres available
