NORDIC JONES S.r.l.

UNI EN ISO 9001:2008 (ISO 9001:2008)

ACCREDIA

SIR Automotive parts cura con scrupolosa meticolosità ogni aspetto del processo produttivo, dalla scelta delle materie prime ai controlli finali. Un sistema di qualità che ha prima ottenuto la certificazione a norme **UNI EN ISO 9001:2008** Nelle logiche imprenditoriali SIR Automotive parts questi risultati sono visti come nuovi punti di partenza piuttosto che come traguardi. Ecco perché l'azienda ha sviluppato direttamente un **avanzato processo di rintracciabilità** applicato su ogni singolo pezzo, che permette di conoscere sempre la genesi completa della sua realizzazione.

Certificato No. CERT-02960-98-AQ-MIL-SINCERT

Un'importante **garanzia** per la totale tranquillità dei clienti.

SIR Automotive parts employs **scrupulous care** in every single aspect of the production process, from the choice of raw materials to final factory tests: a quality system that obtained **UNI EN ISO 9002** and then **UNI EN ISO 9001:2008** certification. However, in SIR Automotive parts business philosophy, these results are seen as new starting points rather than achievements.
For this reason, the Company has developed **its own traceability process** that is applied to every single item we manufacture to ensure complete batch information, every time.

Certificate No. CERT-02960-98-AQ-MIL-SINCERT

An important **guarantee** for the serenity of our clients.
