

# S20

# S20

A soft aesthetic frameless screen.

## S20 WORKTOP MOUNTED SCREENS & FRAME MOUNTED SCREENS

### FEATURES

S20 is a 30mm soft and frameless screen solution that is highly functional and aesthetically pleasing, creating clean and defined workspaces.

S20 WORKTOP MOUNTED screens come in three different shapes; Classic, Sweep & Curve.

Classic & Sweep compatible with ORBIS, RUMBA, SILHOUETTE, STILETTO, GEO, LUNAR and KISSEN workstations.

Curve compatible with ORBIS, RUMBA, LUNAR, STILETTO and KISSEN workstations.

S20 DESK FRAME MOUNTED screens consist of Spine, Spine & End and Screen Arm. Spine & Screen Arm available in either Classic or Sweep shape. Spine & End screen available in Classic shape only.

Compatible with ORBIS and RUMBA workstations.

Available in a pinnable or non-pinnable option.

### FINISHES

Screen: One tone upholstery in approved foam backed fabric

### **CARE & MAINTENANCE**

#### **FABRIC**

Gently spot clean excess liquid from the fabric surface. Do not saturate or scrub the fabric with water or cleaning liquids. Every fabric composition varies and the individual fabric supplier should be contacted for further fabric care instructions.
